

Groton Community Conversations

Workshop Series

Join us for a workshop series, designed to empower you with insights into the essential elements that contribute to the success of a thriving community.

GROWTH, CHANGE, & QUALITY OF LIFE

- Gain a deeper understanding of how demographic trends can shape community dynamics.
- Explore the essential principles of market dynamics necessary for achieving sustainable growth.
- Understand the variety of places in a community that contribute to an enriched quality of life.

Food will be provided - come for the food, stay for the workshop
