

Meet EDC Commissioner:

Alex Hastings

anhzah35@gmail.com

As an engineer with extensive experience in the region, I have had the privilege of working on high-impact projects that deliver the best economic value to the community. My background in engineering has provided me with a unique perspective on infrastructure development, resource optimization, and innovative solutions that align with the EDC's mission. By focusing on projects in my professional work that maximize economic returns, I have contributed to job creation, improved public amenities, and enhanced the region's overall competitiveness.

With my passion for community development, I am proud to be part of an organization that is shaping the future of our region. Together, we are building a vibrant, innovative, and sustainable economy that will serve as a model for years to come.
